

# **City of Waleska**

## **General Sign Requirements**

**The following are the requirements to be followed:**

- **Maximum size 25 square feet**
- **At least 10 feet back from right-of-way of road**
- **Lights cannot result in glare, which would have an adverse affect on traffic**
- **Cannot cast direct light on adjacent property or roadway**
- **Cannot be within 50 feet of residential district or dwelling**
- **Cannot conflict vision clearance of traffic**

**\*The above are general guidelines for signs erected in the City of Waleska.**

**Specific sign requirements may be found in city's zoning ordinance.**
