Item 2: Consideration and adoption of the FY2027 Budget

Prior to consideration of the budget, Rachel Bembry the City's financial consultant, reminded Council that two revisions discussed during the previous meeting should be included in the adoption of the Fiscal Year 2027 Budget:

- A \$50 non-payment fee for sanitation accounts, consistent with the existing water service non-payment fee.
- A meter reading device (MXU) damage fee providing one courtesy replacement at no charge, with a \$250 replacement fee for any subsequent damage to the same service address. Staff will provide customer notification before enforcement of the fee.

A motion was made by Councilmember Cochran and seconded by Councilmember Bosch to adopt the Fiscal Year 2027 Budget, including the addition of the sanitation non-payment fee and the meter damage fee as presented.

Motion passed unanimously.

There being no further business, the meeting was adjourned.
