CITY OF WALESKA

8891 Fincher Road - Waleska, GA 30183

To the Members of the Waleska City Council,

I have been blessed to have had not just one, but two great careers in my life: the first being in the nursing home business for over forty years, followed by serving as the mayor of Waleska. As you know, I love our city. We have a great sense of community and civic pride, and I am proud to call Waleska home and to have been a part of the city's leadership. I am especially proud of the fact that we now have sidewalks all over our city, which are well used and which have increased the safety of our citizens.

After twelve years of service, though, I feel it is time for someone else to take the position of mayor, and I respectfully submit my resignation as mayor effective today. I look forward to being able to travel more and spend time on other pursuits, but it has been a true pleasure working with each of you.

I am thankful for the opportunity to have served as mayor of Waleska, and I know I leave the leadership of the city in excellent hands.

Most sincerely,

Doris A. Jones
